Signature Facial

This facial is tailored to your individual needs. Featuring all organic products developed to restore stressed skin and leave the complexion glowing. Includes deep cleanse, exfoliation, face mask, shoulder massage, steam towel, and application of specially selected serums, hydrators and SPF.

Mini Facial

A natural, organic approach to skincare, this deeply cleansing facial will provide a customized application of exfoliating and hydrating masks and serums to deliver clarity and a healthy glow for skin. Signature facial upgrade includes advanced attention to skin needs, extended massage, and an additional face mask.

CBD Facial

The benefits of a Signature Facial, with added CBD which contains anti-inflammatory and antioxidant benefits for skin. CBD can decrease excessive sebum (oil) production, diminish breakouts, reduce redness as well as help offset other triggers for acne. CBD oil is an antioxidant and can counteract free radical damage for anti-aging.

CBD Facial Benefits:

- Increased hydration
- Reduced fine lines and wrinkles
- Increased firmness and elasticity
- Repairs, calms and balances skin
- Treats and prevents acne

Anti-Aging

Stimulate collagen production for youthful and lasting suppleness with our age-defying products formulated for mature skin, lacking nutrients. Our skin care regimen is crafted with love and driven by the belief that aging is a privilege and beauty is an unique experience for all.

Anti-Acneic Facial

This deep cleansing, pore-refining treatment uses enzymatic exfoliation and antimicrobial ingredients to dissolve sebum and clarify skin, with LED blue light, which kills bacteria and reduces inflammation. Great for teens as well.

Sun Damage w/ Barrier Repair Facial

Heal and activate the healthy, even glow in your skin, with our LED lamp programs and fruit enzymes, which work synergistically with anti-oxidants for a beautifully balanced and vibrant face. Designed with your skin in mind, we will address any number of skin conditions, including rosacea, hyper pigmentation (sun spots) and Melasma (pregnancy mask).
